Season of Explosion of the Old Wine-skins

3/08/08

For the Winds of change are blowing once again, it is time to follow the Glory. For

the current conflicts will bring you into a greater realm of my Strength and Ability.

The winds are changing in direction, which will also lead you into a new season. **A**

Season of Divine Strength and Great Grace.

There has been a blockage in my body that has hindered the natural flow of my life.

For there is a strong diving momentum that is taking place right now. There is an all

out attack against my Divine government and I tell you I, your Great Warrior King

will be Exalted for He who sits in the heavens laughs at those who try to attack the

King and His anointed!

Be on the offensive and watch for ambushes be not ignorant of the enemy's devices.

For I am with you, go forward and advance my Kingdom. W.I.P.E. out *all* the

enemies before you. I have destined you to rule over the nations, to root out, pull

down, destroy, to throw down, to build and to plant.

For I am commanding a response in this hour says the Lord. For those who will align

themselves properly, I will expand you. For those that are unwilling, they will dry up

in the wilderness bearing no fruit.

COME UP HIGHER AND LIVE!
