

Arise and Shine

As we embark on a new year of 09, Father is speaking to His Church to come up higher this year and draw closer to Him. The systems of this world are crashing and falling apart because they have not been built on proper foundations.

For us as ambassador's we are to become and do as the prophet Isaiah says in chapter 60. We are to *arise and shine* for thy light is come, and the glory of the Lord is risen upon thee. For behold darkness shall cover the earth, and gross darkness the people, but the Lord shall arise upon thee, and His glory shall be seen upon thee. And the Gentiles shall come to thy light, and kings to the brightness of thy rising. God is positioning us to stand and to *shine* with God's glory and to be the answer to the problems of our day. Christ in us the hope of glory.

The great ill of our day in this hour is stress, worry, anxiety, and fear. Father will make a distinction in this year between His people and those of the house of Pharaoh. While great tribulation and troubles are coming on the earth God is establishing His kingdom to reign and rule and to advance with great demonstration of the supernatural. We will see 2 main focuses, the Church moving in the supernatural of there God and financial increase to those that have been faithful and proved trustworthy. The things Father has spoken and promised will manifest in greater realms for us. So let's continue to move with God's Spirit and flow with the prophetic word of the Lord.

God is extending grace for another year for us to align ourselves for what he is doing. We cannot move in 09 with yesterday's grace. Many are causing delays for themselves by not applying the prophetic Word to there lives and are dying in there wilderness. God will always have a remnant that will obey and move forward with Him and live in the realm of the kingdom living. Things are speeding up and accelerating at a faster pace in this hour. As we stand on Christ and His Word we will continue to overcome and rule over the kingdoms of this world.

For we are apart of an unshakeable kingdom!
