

# **CAMPER VS. CLIMBER**

## **Camper**

We can't

It can't be done

Call a committee

Watches from a distance

Stays in average

Thinks about it

Is comfortable

Views things from below

Familiar

Influences no one

Easily distracted

Looks back

Has no destiny

Hates change

Boy it must be great up there

I can't go on

## **Climber**

We can

It's already done

Call a fast

Get's the job done

Walks in victory

Does it

Lives radically

Views things from above

Risk taker

Raises up sons & daughters

Focused on the task

Looks up

Moves in destiny

Lives for it (Phil. 3:14)

What a view up here (Ps 18:29)

God's grace is sufficient

## **THE PLACE OF CLIMBING**

**REVELATION 2:1-8**

**PSALMS. 24:3**
